

For the Love of Movies – Quick Start Guide

Installing *For the Love of Movies*

- 1) Insert the CD into your CD-ROM drive. The installer should automatically run. If it does not, simply run the FLM setup program (called *SetupFLM.msi*):

- 2) Click the 'Next' button to confirm the installation:

Figure 2 –Installer

- 3) (optional) Click the 'Browse' button to select an alternate location for FLM:

Figure 3 - Install Location

(optional) There is an option to install FLM for everyone or for just you.

(optional) The 'Disk Cost' button shows the size of all disks, the space available on them, and the space required to install FLM:

Figure 4 – Disk Cost

- 4) Click the 'Next' button to continue after choosing these options.

- 5) Click 'Next' to confirm the installation. The installer will display the installation progress, and then display the final dialog box:

Figure 5 - Installation Confirmation

(optional) If you wish, you may click 'Back' to return to the previous screen, or 'Cancel' to cancel the installation altogether.

- 6) Click the 'Close' to close the installer:

Figure 6 - Install Complete

Installation is now complete.

To run FLM, click the Start button, then browse to the FLM program group and click on the FLM icon.

Using the Main Screen

The main screen is the central point of For the Love of Movies.

This section provides an overview of the main screen and describes each feature.
